

## **Director Contact (Refrigerator Saver)**

In order to help you stay in the loop with all current events and important information pertaining to AIS Orchestra, we ask that you please bookmark the orchestra's website and refer to it often. A monthly newsletter with classroom updates will be emailed, posted on Schoology and posted to the Avon Orchestra website. Please be sure to **stay connected!!**

*Please add my school email to your "non-spam" folder.*

As the orchestra director it is important to me to communicate and respond quickly. Since I teach in two buildings, email is the most effective form of communication to reach me. Typically, expect a same day response for any questions or concerns unless you email after 4pm.

Thank you!
